To Whom So Ever It May Concern

WTW GmbH – a Xylem brand with its manufacturing location at Dr.-Karl-Slevogt-Straße 1 D-82362 Weilheim Germany was founded in 1945. WTW has provided outstanding leadership in the design and production of superior quality water testing instrumentation world-wide for over 65 years.

WTW offers robust analysis products for the measurement of pH, dissolved oxygen, conductivity, total dissolved solids and specific ions in lab, field applications serving the environmental, water and wastewater, food and beverage, educational, pharmaceutical, clinical, research and chemical/petrochemical industries.

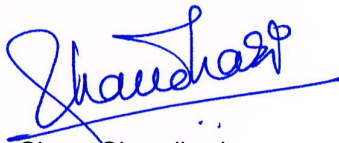

We hereby would like to confirm that Analytica Equipments (India) Pvt. Ltd., with its address at 1st Floor, Jeet Plaza, Sector-A, Sitapur Road Scheme, Lucknow -226021 India is authorized dealer for WTW products. We will honor warrantee/guarantee claims for WTW manufactured products supplied through the above firm.

This authorization is valid for one year from the date of issue.

If you need any additional information on above, please feel free to write to me at Sham.Chaudhari@Xyleminc.Com.

Thanking you.

Sincerely,

Sham Chaudhari
Director Sales & Marketing (South-Asia)
